Property:

As of July 1, 2011, the Carbon Monoxide Poisoning Prevention Act (Senate Bill-SB 183) requires all single-family homes with an attached garage or a fossil fuel source to install carbon monoxide alarms within the home. Owners of multi-family leased or rental dwellings, such as apartment buildings, are required to comply with the law by January 1, 2013.

By signing below I certify that I have been made aware of this law and ensure that all the residential units at the above referenced property are equipped with Carbon Monoxide Detectors.
